Dear Gina:-

I mailed you a package this afternoon and on Friday you will receive some flowers. They are to be sent out on the night train but may not get there until noon. Guess some one better go to the station to see about them so they'll not get wilted. I leave K.C. Friday night. Expect to get to Everest on the midnight

Lovingly Bessie

[P.S.]

Shall to come out early Saturday A.M.

B.

Miss Gina Pederson
